

Welcome to the Toro Wine List

From some of the world's most famous producers to the less well-known and fiercely independent ones, these wines have been chosen to offer a diverse range of options to complement our Latin American cuisine.

Most of our wines have been selected as per our guest preferences, cuisine, a certain style, winemaker, etc. We are very much aware that everyone has their own preferences, and we have several younger and older vintages for you to choose from as well.

Please do not hesitate to ask if you would like to have your wine decanted in advance for dinner.

We believe that each of these wines represent the trust and best-value expression for its region or type. Therefore, you can select any one of our wines with the confidence that it will offer a distinct and rewarding experience.

We are continually updating and extending this list and we welcome any thoughts or comments you may have in relation to it.

If you require any assistance with your selection, our remarkable team of Managers and Sommelier will be delighted to guide you through the Toro Wine list.

Thank you,

Suman Pradhan | Director of Food & Beverage | Wine Director
